Rate Plan Landing Pages

Overview

- Rate Plan Landing pages is a new Reztrip feature that beautifully displays a rate plan's detailed information on the Reztrip 3.0 booking engine.

- The landing page includes rate plan booking and check in/out dates, rate plan descriptions, inclusions, guarantee/cancellation info, and option to have 1 image displayed.

- Rate plan landing page URL is automatically generated in Reztrip admin.

Anatomy of Rate Plan Landing Page

No Thanks

Rate Plan Image: This is optional and will only display if an image is loaded in the rate plan.

Anatomy of Rate Plan Landing Page

◥ If there is no availability for the offer, RezTrip will give guests the option to search other dates for the same offer, or search the same dates for different offers.

Other Configurable Options

- You are able to add/delete info on the rate plan landing page. These configurable options are optional at the Property level and cannot be configurable per rate plan:
    - Minimum Lead Time
    - Maximum Lead Time
    - Available to Book
    - Available to Stay
    - Show Valid for Stays on
- Labels on the booking engine are customizable.
- Please contact Client Services team to enable/disable any of these options.

Rate Plan Landing Page URL

- The rate plan landing page URL is automatically generated when you create a rate plan.

- This URL automatically links to the desktop or mobile booking engine rate plan landing page depending on the device you are using.

- Rate plan landing page URL is the promotional URL found on the Rate Plan edit page in RezTrip.

Please contact connect@traveltripper.com with any questions.

Thank you!
